

Para Rowing AGM: 26th November 2018

Para rowing continues to be well represented on a local level, Tees RC Continue to have a strong Para Squad and currently have 4 athletes within their performance squad which remains coached by Greg Beswick and Gateshead RC continues to grow as a club with Carol Croft at the helm.

This year whilst there were no Adaptive events in any of the local regattas progress has continued and Tees Lucy Radley has again completed in the Boston Marathon even in very difficult conditions.

It is hoped that adaptive races will be held in local regattas next year and within the para rowing community as a whole nationwide it is hoped that more events will be run, with work ongoing to achieve this.

Former Tees RC athlete Ella Abraham continues to row back at her home club of Marlow RC having been in the region for University, whilst here she was coached by Greg Beswick and she is now part of the GP Development Outlook, Laurence Whitely remains a key part of the GB Team squad and is working hard towards Tokyo 2020.
