#### Coach Education Team

We will be looking to hopefully add to the coach education team in the near future. We are still waiting for approval from BR to train another Tutor for the region as we are sometimes stretched at busy points in the year.

At the moment organising courses is quite a big part of the role and a lot of time is spent completing admin. If there is anyone keen to support me in the role, less of the coach education and more of the National Coach Committee work etc. please let me know.
