

Junior Report for meeting of NRC on Monday 26th June.

JIRR

The Junior Inter Regional Regatta was held at the National Water Sports Centre in Nottingham on Saturday 22nd April. The Northern Region fielded a full team including 4 composite crews. There were representatives from most of the clubs in the region. 11 out of the 24 crews entered got through to the A final with the region finishing in 7th place overall. Special mention should go to Joe Adamson from Chester le Street who won a silver medal in the J16 1x and the Durham School/Chester le Street composite crew who took bronze in the J14 4x+.

The attached spreadsheet gives the full results with %GMT etc for those interested.

National Schools

The National Schools Regatta was held again this year at Dorney. Very few participants from the region took part with only the G CH 2- from Tyne ARC making the A final where they came 7th.

Please see the attached Word document for results of entries from the region.

GB Trials

Although a few athletes have been involved in the GB trials process over the last year only one (Hope Cessford from DARC) has received an invite to the Final Trials Crew Formation. Claudia Turley from Tyne has been invited to the Race Off for the last place available at the Crew Formation.

Results from the region at the GB Trials April Regatta are also on the Word document.

GB v France Trials

Good luck to the JM 1x and JM 2- from Chester le Street who are taking part in the trials for the GB (under 16) team.

British Junior Championships

The BJRC 2017 are to be held in Nottingham on the 14th, 15th and 16th of July. Once again events for J14 will all be held on Friday 14th with the main focus to be skills although there will be 1000m races for those quads that have entered in the afternoon. All J15 and above will complete a time trial of 1500m followed by a semi-final then A or B final over 2000m on Saturday and Sunday for the top 12. Those ranked 13 and higher will be placed in Finals C, D, E etc all over 2000m.

Junior Coaches Conference

The conference takes place in Windsor on 16th and 17th September. See the attached flier for details of speakers and booking information.
