

Junior Rowing Report – NRC meeting 22 June 2020

A very short report:

1. Junior Rowing

The majority of open clubs have now made arrangements to get juniors back on the water in single sculls. It has been very encouraging to see the variety of ideas used by clubs to keep juniors engaged with the sport during the lack of formal training sessions.

2. JIRR

I have started to distribute the sweatshirts kindly purchased by the Northern Rowing Council to recognise Northern Team selection even though the event was cancelled for the second year in a row. Tees and Hexham have got theirs and other clubs should receive them by the end of this week if I can arrange contacts. I am still awaiting dates and venue for 2021 event.

3. National Junior Committee

The next National Committee Meeting is on Sat 4th July.

Items for discussion:

Junior Athlete Recruitment

Junior Competitions

Junior Education

State School Partnerships/Rowing

Specific Junior/School Rowing, BR Advice on Return to Rowing

School Age Strategy/Future BR Work With Juniors

Lessons to be Learned From Lockdown

Pauline Higgins
