

## Sale of NRC Singles – posted 21-09-17

Conditions of sale are outlined below:

- All boats/riggers/seats/shoes are sold with no guarantee
- Descriptions give the general condition and do not detail every fault.
- No liability is accepted by NRC or officers for damage not detailed in the description.
- The boats are not open to offers and they are offered for sale at the fixed price point.
- Boats must be bought by a club to ensure they benefit the most rowers.
- Individuals can only purchase a boat if there are any left after a period of 2 weeks from the day of advert.
- The boats will be sold to the first response by email to Pauline Higgins ([ghiggins20@aol.com](mailto:ghiggins20@aol.com)) stating the number of the boat of interest.
- An initial limit of one boat per club although clubs could express a desire to buy more than one.
- A club would only be able to buy a second boat if after a period of 7 days from the day of advert there are boats remaining.
- We would expect payment to NRC before collection (Cheque payable to 'Northern Rowing Council' from the club).
- Collection to be arranged by contact with Pauline Higgins.
