

## **Northern Rowing Events Coordinator Report**

Clubs have had to make some difficult decisions on holding their Regatta's based upon the governments roadmap out of lockdown, British Rowing competitions guidelines and local councils and other governing bodies. It's not easy to work your way through all of the regulations and then have the added quandary of "will anyone turn up".

State of play for 2021 Regatta's

### **Cancelled**

17th April Chester Le Street Spring Regatta  
8/9th May Durham City Regatta  
15th May Tees Regatta  
3rd July Talkin Tarn Regatta

### **In Planning**

22nd May Wansbeck Regatta  
Plan is to run a 1500m time trial.

5th June Hexham Regatta  
700m downstream side by side racing.

12/13th June Durham Regatta  
More details to follow on the format and if extending to a three day event.

19th June Tyne Regatta  
1000m side by side racing.

There still are very large steps to take by Regatta organisers to be able to run the planned events and the above information could change at any time.

### **2022 / 2023 - Events Calendar**

Proposed calendar of events has been circulated to Northern Rowing and Clubs. Only one change is Wansbeck Regatta, will likely be moved to May 21st 2022 to avoid National Schools.
