

Rec. Rowing Report for NRC AGM – 15.11.21.

Pamela Walton

During the last year the following has taken place.

1. A webinar in March 2021 titled Recreational Rowing for Fun, Fitness and Friendship a link to the recording is on <http://www.recrowing.org.uk/https://plus.britishrowing.org/2021/04/19/club-development-recreational-rowing-on-the-water-for-all-for-fun-fitness-family-friends/> . This was extremely well supported and goes towards dispelling any myths about tours throughout our country and abroad.
2. Unfortunately, the Sunday League did not happen again this year, but we are planning to make it happen next year 2022. I would welcome any clubs who would like to host an event to contact me.
3. The 27<sup>th</sup> British Rowing Tour took place from Henley to Weybridge on the 4<sup>th</sup> – 5<sup>th</sup> September with rowers from the Northern Region attending.

Next Year

1. Get Sunday League going as 2 above.
2. Publicise the tours in other countries and the UK to enable those that want to attend from the Northern Region, coordinating groups if demand is sufficient.

A short report, but if you go to <http://www.recrowing.org.uk/> more information can be found or why not email me on [pwalton64@sky.com](mailto:pwalton64@sky.com)
