

Regional Representative
AGM Report

BR Council Business

This year has seen considerable change in the governance of BR. Being a recipient of funding BR has to meet the requirements of UK Sport moving from the current governance to a model that meets UK Sport requirements.

Previously as Regional Representative I represented the Northern region at the British Rowing Council, the decision making body. The key decision making body of British Rowing is now the Board and the Council has been replaced by a body of Regional Representatives within which I will continue to represent the Northern region.

Kate O Sullivan elected as Vice Chair British Rowing

NRC Grant

The NRC grant fund has approved requests for £3,003.60 this year. This sees a slight increase in the £2618.50 approved in 2016.
