

Northern Rowing Council - online meeting of Executive - 22 June 2020

Report of Events Coordinator - Catherine Bowman

I have very little to report. Not moved on much since last committee meeting due to lack of time.

Still outstanding for Events:

- A) Need to compile list of all club contacts responsible for events so I have a contact for each.
- B) CLS Autumn regatta still to confirm details
- C) JIRR trials still waiting for date, chased BR on numerous occasions
- D) Events for 2021 provisional dates have been submitted. I have a couple of change requests and still waiting for JIRR date but will submit final proposal to clubs within the next few weeks for final checks.
- E) Forthcoming events. What is Northern Rowing's thoughts on running any events this year?
