Para rowing report

1) Tees RC will be offering all para rowing and Rowability events at their regatta on 21st May 2016, this is a multi lane regatta and Tees hope to have a wide range of athletes from all categories competing, from their club and from around the country.

2) Gateshead RC will be hosting the Tour de Tyne on Sunday 10th July 2016 in conjunction with Northern Rowing, the event is open to all and they will be able to provide a wide range of boats, both para rowing and able bodied with a wide range of boating types for disabled rowers, not limited to the FISA/Rowability categories.

3) Great Tyne Row 2016: it is hoped that a composite crew between Gateshead RC and Tees RC will be able to be formed to compete as the first fully para rowing/Rowability crew within this year's race.
